

Statement of Intent

The National Curriculum for music aims to ensure that all children:

- perform, listen to, review and evaluate music.
- be taught to sing, create and compose music.
- understand and explore how music is created, produced and communicated.

At Esh C.E. (Aided) Primary School, it is our intent that we make music an enjoyable learning experience. We encourage children to participate in a variety of musical experiences through which we aim to build up the confidence of all children. Our teaching focuses on developing the children's ability to understand rhythm and follow a beat. Through singing songs, children learn about the structure and organisation of music. We also teach technical vocabulary such as volume, pitch, beat and rhythm and tempo to encourage children to discuss music using these terms. We teach the children to listen and to appreciate different forms of music enhancing their Spiritual and Cultural Development. Children develop descriptive language skills in music lessons when learning about how music can represent different feelings, emotions and narratives. As a Church of England School, Music also plays an important part in our Collective Worship and teaching of Religious Education.

Aims: Key Stage 1 & 2

The National Curriculum for music aims to ensure that all pupils:

- Perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of the great composers and musicians.
- Learn to sing and to use their voices, to create and compose music on their own and with others, have the opportunity to learn a musical instrument, use technology appropriately and have the opportunity to progress to the next level of musical excellence.
- Understand and explore how music is created, produced and communicated, including through the inter-related dimensions: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.

Key Stage 1 National Curriculum Attainment:

Pupils should be able to:

- Use their voices expressively and creatively by singing songs and speaking chants and rhymes.
- Play tuned and untuned instruments musically.
- Listen with concentration and understanding to a range of high-quality live and recorded music.
- Experiment with, create, select and combine sounds using the inter-related dimensions of music.

Key stage 2 National Curriculum attainment:

Pupils should be able to:

- Pupils should be taught to sing and play musically with increasing confidence and control. They should develop an understanding of musical composition, organising and manipulating ideas within musical structures and reproducing sounds from aural memory.
- Pupils should be taught to:
- play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression
- improvise and compose music for a range of purposes using the inter-related dimensions of music
- listen with attention to detail and recall sounds with increasing aural memory
- use and understand staff and other musical notations
- appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians
- develop an understanding of the history of music.

Our Music Curriculum Implementation

Key Stage 1 and Key Stage 2

Our pupils will learn that music is a universal language that embodies one of the highest forms of creativity. They will be inspired and engaged by music education. Music lesson will engage and inspire pupils to develop a love of music and develop their talent as musicians, and in turn increase their self-confidence, creativity and sense of achievement. As pupils progress, they should develop a critical engagement with music, allowing them to compose, and to listen with discrimination to the best in the musical canon.

The Charanga scheme of work, through Durham Music Online, is used from Reception to Y6 to ensure a wide exposure to different genres of music, with lots of practical opportunities to explore and develop as musicians and singers.

The school also has whole class ensemble teaching in Years 2, 3, 4 and 5 where children are taught a specific musical instrument for full term in the school year. The pupils begin to learn the ukulele in Y2 and Y3 and this is further developed in Y4 and Y5. These lessons incorporate teaching musical notation, singing, as well as learning to play an instrument. Opportunities are taken to perform in class, in whole assemblies and also to parents and the wider community in our annual Musical Showcase Event.

At Esh C.E. (Aided) Primary additional opportunities are offered in Music:-

- KS2 Choir which performs regularly in school and at events in the local community for example in an annual Lighting of the Christmas Tree community event, in a local nursing home and in Festival events e.g. Christmas and Easter.
- Peripatetic Music Lessons in guitar and keyboard.
